

AGENDA ITEM NO 1: TECHNICAL EVALUATION OF BIDS FOR LOGISTIC ARRANGEMENT FOR KMU-CAT TEST 2022-23

The Technical Evaluation Committee evaluated the bids for Logistic Arrangement for KMU-CAT test 2022-23 and declared the bids of M/S Asia Tent & Catering Service, M/S Afgan Sons and M/S Waheed Khan Canteen Contractor & Catering Service were responsive. Though all firms are registered with KPPRA but M/S Afgan Sons appears to be “In-Active” as on 22-08-2022. Seeing the expertise in the field, the Committee however considered the M/S Afgan Sons responsive but with condition that if the said firm qualifies further the award of word order will be subject to provision of Active status list in KPPRA otherwise it will not be considered further & will not be awarded the contract.

The meeting ended with vote of thanks.
